Morison KSi German member firms gathering awards

The recent months have brought many awards to Morison KSi German member firms. Here is a brief overview.

GKK PARTNERS

In March, GKK PARTNERS (Munich, Germany) was named one of Germany's "Top 100 Employers" at the Great Place to Work® gala event in Berlin. The firm's partner, Rainer Kröll, accepted the award on behalf of the team.

Earlier this year, *Focus* magazine listed the firm among Germany's "Top Tax Consultants". The list comprises of companies which received most recommendations in a nationwide survey of over 8,500 tax consultancies, conducted by the Hamburg Institute Statista and covering 19 fields and 10 industries.

Last but not least, *Manager Magazin* awarded GKK PARTNERS the title of "Germany's Best Chartered Accountant Firm" in the SME sector. A jury consisting of 1000 managers from German medium-sized businesses determined the candidates for this evaluation and these were then evaluated on the basis of internal key figures and assessments by clients.
