Aprio names new Chief Growth Officer and Director of Advisory Services

These two new appointments highlight the firm's commitment to guiding businesses to their next

Morison KSi member firm Aprio, based in Atlanta, USA, announced on Monday 8 July that it had named Lee Fields as Chief Growth Officer and hired Marc Rosenkoetter as Director of Advisory Services.

Lee Fields joined Aprio in 2013 to lead the firm's Advisory Services group and was promoted to Partner in 2017. Given Aprio's continued path of rapid growth and expansion, Lee will take on the role of Chief Growth Officer where he will be responsible for driving growth programmes for Aprio.

Richard Kopelman, CEO and Managing Partner at the firm, commented:

"As Aprio continues to grow and expand across the United States and globally, it is important to have a seasoned executive overseeing the multiple initiatives that drive the firm's growth. Throughout his career, Lee has driven the growth of startups to global businesses in a variety of sectors."

Additionally, Marc Rosenkoetter has joined Aprio as Director of Advisory Services. Marc brings to Aprio a wide range of experience, including entrepreneurship as a small business owner and, most recently, from The North Highland Company. In his role at Aprio, Marc will drive the growth and expansion of the CPA-led advisory firm. He will further develop Aprio's Transaction Advisory Services, Financial Consulting Services, Business Technology Consulting Services, Litigation Support and Forensic Accounting, Business Valuation and Data Analytics practices.

"Marc is an entrepreneur and strategic leader who understands how to grow, build and lead a high-growth consulting business. He brings to the Aprio team strong process, communication and analytical skills that will enable Aprio clients to achieve what's next for their businesses."

On behalf of all Morison KSi member firms, we would like to congratulate Lee and Mark on these impressive appointments!
