New addition to the Morison KSi GEO

We are delighted to announce that the Morison KSi Global Executive Office (GEO) has welcomed a new team member. Sarah Hanna joined the team on 1 November.

Sarah Hanna

Sarah joins us having spent the past year working and studying in New York. She holds a Bachelor of Arts in Festival and Event and Hospitality Management, as well as a Postgraduate Certificate in International Business, and has a passion for building and nurturing relationships with those she works with.

Sarah has a warm and friendly demeanour and will be a welcome addition to the Morison KSi GEO. Sarah will work primarily on African and Asia Pacific regional administration, conferences and member liaison. Sarah looks forward to meeting member firms at the forthcoming International/Asia Pacific conference in Dubai.

Whilst we are delighted to have Sarah on board, we are very sad to say goodbye to Natalia Suta who moves on to pastures new, with her last day with us being on Wednesday 6 November. We thank Natalia for all of her hard work and contribution over the past 3 years and wish her all the very best for the future.

Please join me in welcoming Sarah to Morison KSi.
